HEREFORDSHIRE,
ENGLAND

Hi everyone

Well, at long last...it's here.

LOVE IS HOLY is the brand new single to be released throughout the UK and Europe on 21st April. We're hoping it's going to be a huge smash and we sincerely hope you'll like it!

The single will be available on the following formats and catalogue numbers:

FORMAT	UK	EUROPE
7" vinyl	KIM 18	MCD 18638
12" vinyl	KIMT 18	MCT 18638
5" CD single	KIMSD 18	MCD 18637
Cassette single	KIMC 18	"

The B side, titled BIRTHDAY WISH is a beautiful song written by Kim and Nicki and dedicated to Nicki's little girl, Scarlett.

Now for some more exciting news...You will be pleased to learn that yet another track has been recorded for the forthcoming album! The new song, HEART OVER MIND, was written by two American and two British writers, and when Kim and Nicki heard it they thought it was well worth holding up the album to try out. I believe it sounds great.

LOVE IS... is the title for the new album and we are still hopeful that the release date for this will remain at 18th May, so keep you fingers crossed.

In the last couple of weeks, Kim has been busy with photo sessions, video preparations and introductions with our new allies at RCA and BMG throughout Europe. All being well, she will have a chance to get away for a very short break before it gets really crazy.

It's an incredibly exciting time all round. Thanks for all your patience. We're looking forward to hearing your reactions to the new songs, so please keep in touch.

Until the next time...

I love
Edwina,
