News

Dear All

Hope you are all well and enjoying the hot sunny weather!! We are all very busy at the studio at the moment with various different projects revolving around us.

It has been absolutely chaotic since Kim and Hal broke the news that they are to marry. How exciting!! Hal Fowler is an actor, who also starred in the musical **TONY!** For those of you who have had a chance to see the musical, Hal's character was *Coco's Uncle*. (Although he is now not in the production due to a severe knee injury!!) They are both so very happy. The wedding is due to take place very soon and is sure to be a wonderful occasion! I shall try and get some pictures to put in the *Summer '86 Magazine*!

Rather than give you too much information about precisely how & where the proposal took place, I am going to leave it to Kim and Hal who have promised to write a short article for the forthcoming magazine. All I will say is that it was sweet and very romantic - sorry to keep you in suspense!!

Kim has also been busy in the studio recording her new single

SILAGE a cover of a 70s disco song, by Evelyn "Champagne" King. The mixes of the song are sounding very good, really happy and vibey!! Remixes have been done by **Jupiter, Matt Darby and T-Kemps**. At present the date for release in the UK is 18 September. (Subject to change)

Watch out for a lot promotion surrounding the release of **SILAGE**. Television and Radio promotion has been scheduled but as it varies from day to day I can't say what Kim

will be appearing on but you know the score just keep your eyes and ears open and I'm sure you'll spot **ESM**

TONY! - The musical is going very well with so many people going to see it. The majority of you who have been to the theatre have written to say how much you loved it and many have said they intend to see it again. Just to recap, Kim has a contract to March 1997, so if you haven't yet seen the

musical then you've still got plenty of time!

I understand from the letters I've been receiving that the majority of you enjoyed reading the *Summer '86 Magazine*. For the forthcoming *Autumn '86 Magazine* I'd really like to hear from people who would like to place an advert in the following sections: *Proposals, Suspense and Questions for Kim*. Also in the last mail out a selection of fans received a questionnaire to complete regarding their favourite *Top 10 Kim Wilde Songs and Why?*, if you haven't already sent it back to the club could you please do so as I would like to publish the results in the magazine.

If you have any ideas for articles, interesting stories about meeting Kim, photographs etc. that you would like included in the magazine please do not hesitate to contact me with them. They are always welcome!

I hope to hear from you soon, take care and have a fantastic summer!!

Enjoy it whilst you can.

See you all soon

Melanie
