KIM WILDE FAN CLUB, PO BOX 300, WELWYN GARDEN CITY,
HERTS, ALG 0LT.

Hi everyone

I trust you all had a fabulous Xmas and New Year, and now that all the festivities are over I'm sure you're all wondering what news we have for you.

As we mentioned in our last mail-out, Kim has been working on the forthcoming greatest hits but, unfortunately, the release date for this has now been put back to August/September. This means that the next few months will be devoted to a great deal of writing and recording both for the 2 new tracks on the Greatest Hits and, of course, the next LP.

We have also been informed that MCA will be releasing a Greatest Hits Video, if not at the same time, then shortly after the release of the LP. I'm sure it will be a relief for many of you to (at last) have so many videos on one cassette!!

A natural consequence of the delayed release of the LP is the postponement of the release of the first single which is now scheduled for the first week of June. Although we know what this will be - indeed, I've already heard it - I'm afraid we're sworn to secrecy. You can rest assured, however, that we'll share this with you as soon as we're given the go-ahead.

We understand that Kim is taking advantage of the delay by taking a short holiday in March - hopefully she will share some experiences of this when we next write to you - but in the meantime, she continues to prepare for the album with a photo session for the sleeve, with a photographer called Kevin Savias.

We'll be in touch again really soon, until then, if you have any questions we'll be more than happy to try to answer them for you!

All the best,

Edwina
