Well, naturally we were all disappointed that HEART OVER MIND only spent one week inside the Top 40 in the UK, but there's no sense dwelling on it, so now we are preparing for the 3rd UK single, **WHO DO YOU THINK YOU ARE**, and the anticipated release date for this is the 24th August. **WHO DO YOU THINK YOU ARE** is already available as the 2nd single throughout Europe and formats and respective catalogue numbers follow;

J

The B-side on the UK single will be a Club-mix of the album track TRY AGAIN, whilst the European version will comprise I'VE FOUND A REASON which, as you know, was the B side to HEART OVER MIND!

Once again, there will be a Collectors Double CD pack available in the UK and NEVER TRUST A STRANGER and a great Club-mix of HEART OVER MIND will feature as bonus tracks.

Kim's promotional schedule has once again had her jet-setting around the world and she has just returned from 3 weeks of TV's, press and radio in Australia and Japan where, I'm pleased to say, the reaction has been wonderful. In Australia, LOVE IS HOLY jumped 20 places last week from 49 to 29. It's great to see all the hard work paying off! Having returned from Japan, Kim then had to go on to Germany the following day for a TV in Dusseldorf, then on to make a video immediately upon her return! The new video is being shot with Greg Masuak who, as you know, has worked with Kim many times in the past - we're very excited about it. Kim is now in the middle of a well earned couple of weeks break before promotion begins on the next single, and she's enjoying every minute of it!!

No doubt you would all have been following the success of LOVE IS HOLY in your own countries and you'll have a good idea of its success. I know that many of you are interested to learn of chart news in other countries, so we're currently trying to accumulate some chart figures for you.

We have just learned that LOVE IS has achieved gold status in Switzerland. Now we're keeping our fingers crossed for everywhere else!

I hope you're all having a great time this summer, and for those of you going away - have fun on your holidays!

Until then next time, take care...

Love,

Ed Wines
D.
