VOL 1

WORLD COPYRIGHT RESERVED **BIG M** PRODUCTION L.T.D. 1983. PRINTED IN GREAT BRITAIN

At last! The new Album 'CATCH AS CATCH CAN' is completed and we have a brand new single 'DANCING IN THE DARK' set for release!

It's taken Kim, Marty and Ricky a lot of hard work over a very long time but everything had to be just right. Now we think we have a great album and single.

Meanwhile, life for the rest of us has been very hectic. Our very own recording studios are being built here and they should be operational by late October. Everyone is so delighted, especially Marty and Rick. We know they'll be producing some great things for you to hear as soon as the recording equipment is in and working.

Kim may also surprise us all and go in to do some writing and producing of her own, maybe with some other artistes. This is the great thing about the family having a studio of their own. It gives them all the freedom to do the things they've always wanted to do.

We're going to call the studio 'SELECT' (what do you think?) and we'll probably be very 'selective' about who uses it, since it's everyone's pride and joy! Kim has recently been to France where she starred in a very big TV show that reaches an estimated 20,000,000 people! That should help 'Love Blonde' go even further up the French Charts, it's in the 'twenty' now. It's been a hit all over Europe.

One of the most exciting bits of news is that an album and a single are due for American release very soon. Kim will be going to the States within the next month and we look forward to telling you more about it all on her return.

We hope you like this first book of the new Fanclub year. We're into volume 3! I'd like to thank Wendy Featherstone, our new Fanclub Secretary, for her dedication and enthusiasm in putting it together. She's virtually done the whole thing herself in a very short space of time.

Finally a quick 'thank you' to all those who have rejoined, glad to have you back, and 'hello' to all you new members, I'm sure you'll have a great year to look forward to with us.

Love,

*Soyce Wilde*

HATS HAPPENED SINCE LAST

BOOK DANCING IN THE DARK

Welcome to the third year of the Official World KIM WILDE FANCLUB. We are very proud of our club and are delighted that you, the fans, have made it possible to continue for another year and start into volume 3 of our Fanclub book.

Owing to a huge response from previous members wishing to rejoin we're rushing this first book out to you now instead of simply sending the rejoinders cards stamped up to date with a new photo and badge. You still get all this, of course! And for brand new members this book will be a bonus to go with their introductory magazine!

Apart from anything else we wanted you to get all the latest news on Kim, the new single, the new album and the forthcoming European Tour.

As I'm the new Fanclub Secretary I'm something of a newcomer to you, too, although I've been involved with the book for some time as one of the 'backroom girls'!

Anyway, 'hello' from me, glad to have you with us!

Love,

Wendy -
