To everyone

I am, at this moment, looking forward to a weeks holiday in Portugal before I start rehearsals for the David Bowie play in Norway to be able to and, of course, to be coming back to Sweden and Denmark again.

Life has been fairly hectic with promotion lately, but enough time to have some fun. I went to see Madonna at Wembley and loved it, especially "Like A Prayer" which looked incredible. I also went to see "Gasping", a play by Ben Elton, which I would thoroughly recommend going to see. Even though it's about an environmental catastrophe, it's incredibly funny!

I hope you're all having a lovely summer. I'm looking forward to touring later in the year, so see you all then!

Take care.

Love
Aki

ANSWERS & QUESTIONS

Q. How do you feel about being a role model for young women?

A. Naturally enough, the effect I have on each individual is as unique as each individual. Therefore, being a role model becomes rather a complex subject. Although it would be entirely irresponsible of me to wash my hands of what influence I may have (which I wouldn't do), it is for people to make their own minds up about how they interpret what I do or say etc. I am not playing a role, I am living my life the best way I can.

Q. How would you describe yourself?

A. I'm cautious and reckless. I motivate people and am motivated by them. I notice EVERYTHING! I love gazing at the sky, talking to children and finding bargains! I'm like one of my mums stews - everything is thrown in!!

Q. Will you have a chance to take a holiday this summer?

A. Before rehearsals begin, I have a week when I'll be off to Portugal with friends. I'm looking forward to working on my tan, swimming a lot and exploring!!

Q. Do you still keep a diary?

A. I kept diaries as a teenager. Now I find that my songs have replaced the need for expressing myself. I think it is of great value to write your feelings down. It helps to clarify things and can exorcise negative emotions.

Q. Do you enjoy touring, and what is your most favourite concert hall/venue to perform live in?

A. Since the Michael Jackson tour, I've looked forward to touring with more confidence than ever before. I love being on stage - performing is definitely in my blood. Touring itself has its ups and downs and can get very tiring, but the shows always make everything worthwhile. I don't really have a favourite venue as I haven't really toured enough, but I do like playing the Amphitheatres in the South of France under a starry sky.

Q. Your French is always improving - how do you do it?

A. French is a language I was taught from primary school, so I find it easier to pick up on than other languages. I've always been trying to speak better French and I'm glad you think it's improved, although I understand more French than I am able to speak.

Q. Do you enjoy autograph signing sessions or do you find them boring?

A. Since I don't do many autograph sessions, each one is an event I really look forward to. It's a lovely way to get to meet some of my fans. Recently I did some in Paris, London and Frankfurt which were all great, and thanks to all of you who came along. It was lovely seeing you!

Hello

I hope you're all having a wonderful time this summer and making the most of this great weather!

During the last three months, Kim's time has been taken up with European promotion, which has meant a lot of travelling and hard work. I have been travelling with her on most of these trips and have thoroughly enjoyed visiting each country and bumping into a few of you along the way - it's nice to know what you look like (at last!).

Now that things are settling down (a bit!), it's time to concentrate on rehearsals for the David Bowie dates in Oslo, Stockholm and Copenhagen and preparations for a possible European tour later in the year. I know some of you are interested in the band line-up for live dates this year, which is:

Guitar	- Steve Byrd
Keyboards	- Jeff Hammer
Drums	- Simon Hill
Bass	- Pete Clarke
Percussion	- Karlos Edwards
Backing Vocals	- Jordan Bailey
&	Julie Moon

Most of you will be aware that the current single throughout Europe is CAN'T GET ENOUGH (OF YOUR LOVE) - 7" catalogue no. 2292-57256-7 and 12" catalogue no. 2292-57245-0. There is also a very high possibility that a "Best Of" album will be released around the end of the year, comprising a compilation of RAK and MCA singles - more information on this as and when we hear it.

Keep your eyes peeled!

Edwina
